Estimate is Good Through: _____   Estimated Total $1,494.60

I authorize the estimated service, repair and parts outlined above. I grant FWC/employees permission to operate on the vehicle/camper. **I understand that estimates are an approximation of charges, and that they are based on anticipated details of the work to be done. It is possible for new discoveries, misinterpretations, and unexpected complications to cause some deviation from the estimate. If additional parts or labor are required, I will be contacted immediately.** I do not require approval prior to performing service/repairs if the total amount does not exceed the authorized amount. I understand that FWC is not responsible for damage or loss of personal belongings left in the camper or vehicle. FWC does not accept returns after 20 days of this invoice. We do not accept returns on specially ordered items. All returns require this invoice and a 20% restocking fee. Thank you for choosing Four Wheel Campers to service your camper. Our current service rate is $160.00 per hour. Our current rate to store campers is $25.00/day beyond (5) working days after scheduled repair service completion.
