Have you replaced the Tires? Yes      What year? 10/2017

Furniture in unit in good shape? Excellent, Unit does not have very much furniture.

Any damage to unit or modifications to inside or out? No, No, No.

This unit is an expedition vehicle. It is a 4X4 unit, and is a true 4 season unit. I have camped and lived in it when the outside temperature got down to -17 degrees without winterizing the unit. This unit cost more than \$300.000 (before sales tax) when new.
